User constraints

The User shall take all relevant steps to maintain the rights of the various Licensors including those of the CNRS-INSU and CNES. In particular, he shall clearly mark on all communications and distributed documents, the name and identification of the various Licensors, whose list is provided in the metadata files, and refer to the ECCAD-AERIS portal as the service provider. The manner how each product has to be referenced is explicitly written in the metadata file of the ECCAD-AERIS product. It's expressly agreed that the User shall refrain from any commercial use whatsoever, direct or indirect, of products provided by ECCAD-AERIS.
